12TH SUNDAY IN ORDINARY TIME

He woke up, rebuked the wind, and said to the sea, "Quiet! Be still!" The wind ceased and there was great calm. - Mk 4:39

From Fr. Godfrey

— **SLEEPY JESUS.** The image of Jesus in the gospel today sleeping during a horrible, frightening storm is worthy of our reflection. It's almost as if Jesus is just saying, "Calm down." Storms rage in our lives, too, sometimes of our own making. And those storms can frighten us mightily. But we can always seek to hear the sweet words of Jesus to the storm: Calm down. Whenever the storms rage in our own minds, of our own making, let's hear Jesus speak directly to us: Calm down. It's not really always as scary as we might make it.

— **ADULT SACRISTANS.** I hope by the time of your reading this, I'll have gotten my act together enough to have scheduled a training for our new adult sacristans. I'm very grateful for their willingness to step in and assist where there is a real need.

— **SCHOOL BUILDING.** Now named Notre Dame Center, our school building will be used for the near future for office and meeting space for the parish and the diocese. Using some of the classrooms will help free the undercroft for more parish use.

— **THANK YOU** to all who covered for me while I was in Texas.

— *God bless you all!*

PRAYING FOR SEMINARIANS

Please pray for our Diocesan Seminarians and for the monks of Saint Meinrad in formation. Each week, I'll list one of them in the bulletin here, with an address, so that if you're inclined, you might drop them a note of support. At the very least, maybe one Hail Mary for each one each week would be helpful. For this week...

FORMED

With summer and all of its activities upon us –our calendars are quickly filling!

So many necessary and worthy things will compete for our time this summer. In the midst of them all, some time for continued Catholic study is important too for our faith journeys. FORMED.org is a great help for us and available to us at any time. But you may wonder what you might focus on from the treasure of wonderful programs presented there.

May we recommend "The Wild Goose" a summer series study on the work of the Holy Spirits. "The Wild Goose" was a term that the ancient Celts had for the Holy Spirit. It is shot from various locations from Niagara Falls to the California desert, (and if you look closely, you'll see an episode from our own Shrine of Our Lady of the Snows). You may even get some vacation ideas for yourself!

This program will remind us of the ever present impact the Holy Spirit has in our lives, on our Church, and for our world. The gifts and fruits of the spirit are the enduring help Jesus promised His apostles—and us still today! In the spirit of Pentecost, see this series as a means of continued study and formation in these busy days of summer.

RESPECT FOR LIFE

What do Abortion Pills do?

Over half of abortions in the U.S. happen by pregnant women taking a sequence of pills. This is known as “chemical abortion.” Its supporters refer to it as “medical abortion” or “medication abortion.” Chemical abortion uses two drugs. First, mifepristone (also called by the brand name, Mifeprex, or RU-486) is taken to damage a woman’s uterine lining, cutting off nutrition and oxygen to her pre-born child, causing starvation and suffocation. Then, one to two days later, misoprostol is taken to push the baby’s remains from the womb. Fortunately, if a woman changes her mind before taking the second drug, the child may be saved about two-thirds of the time through an abortion pill reversal process involving the hormone progesterone.

VOCATIONS

“I was blessed to attend strong Catholic parishes and entered the Academy of Fine Arts to study painting, which was a dream come true. Still nothing in my life satisfied me completely. I wanted to grow closer to God and I felt the call to give my all to Christ. However, I was terrified with the idea of leaving my family and my dreams, painting, dancing, and children. Then a moment came in prayer when deep in my heart I simply said to God, “OK, I will do it”. Suddenly, a peace entered my life like I never experience before. I never knew such peace existed. I completed my school studies and soon went to the convent with my suitcase.”
